

INCLINE CHEST PRESS PLS-1100

Accessible to all levels of users in your facility, the Palladium Series Plate Loaded line combines modern styling and heavy-duty commercial construction with easy entry/exit designs and precision biomechanics. The Palladium Series Plate Loaded line provides the innovation, durability and aesthetic you've come to expect from TRUE.

FEATURES

- Unilateral arms converge to maximize articulation of the shoulder and allow for a complete range of motion
- Unique 5-position adjustable handles allow user to set range of motion best suited to their individual needs
- 6-position seat uses gas cylinder assist for stable, friction-free adjustments
