

ENVISION II

22" Touchscreen Console

A 22" high-definition touchscreen provides a premium experience with full connectivity and built-in programs. Exercisers can easily track their data, discover workout selections, and enjoy integrated technology and entertainment on a large screen.

FEATURES

+ CONNECTS TO APPLE WATCH

This console features Apple GymKit technology so users can connect their Apple Watch and keep all their metrics in sync.

+ BUILT-IN WORKOUT PROGRAMS

Exercisers can choose from a variety of programs to meet their fitness and training goals. Quick access buttons allow users to easily change speed and incline, allowing quick and easy interval changes for HIIT workouts.

+ ENTERTAINMENT

Users have easy access to web content, social media, and entertainment destinations.

+ BLUETOOTH COMPATIBLE

Syncs with Bluetooth® headphones and heart rate monitors. Polar® device compatible.

+ APP CONNECTIVITY

Compatible with Apple® and Android™ devices. Workout data can be pushed to exercisers' favorite fitness apps via GymTrackr.

+ EXPLORE THE WORLD

Outside Interactive® courses allow exercisers to travel the world to famous locations and race courses. In addition, connecting to the Zwift® app allows exercisers to combine social running with videos of running routes.

+ ASSET TRACKING

Real-time asset management with usage reporting and notifications through ECOFIT®

+ CUSTOMIZATION

Customize the homescreen to promote your brand and deliver messages to exercisers, promote events and classes and build your facility brand.
