

# STANDING LEG CURL PLS-1300

**TRUE**<sup>®</sup>

Built for optimal hamstring engagement, the Palladium Series Plate Loaded PLS-1300 Standing Leg Curl features an innovative off-axis pivot, allowing unrestricted knee placement. A self-adjusting ankle pad enhances ease of use, while the six-position torso pad and dual handles provide added stability and support.

## **FEATURES**

- Unique off-axis pivot design allows users to place knee freely on pad without need to align with fixed pivot
- Self-adjusting ankle pad removes need for additional adjustment
- 6-position torso pad and dual handles provide support during exercise

## **USER AMENITIES**

- Instruction Placard illustrates proper START and END positions
